

# ALEXANDER MEJIA

January 10, 2009

- 5 Published Products
- 3 Emmy Nominations
- 2 Addy Awards
- 1 Motivated Individual

I have been producing high-impact, award-winning media for the last six years. My work spans from television, to movies, and now video games. My work has aired on MTV, SPIKE TV, ESPN, Travel Channel and much more. I take pride in having strong technical skills, and the ability to communicate with people regardless of technical knowledge. Please call my mobile at 209-757-8484 and we can talk more about what I can do for you.

*Emmy Award Winning Editor and  
Director of Photography*

## Editor and Director of Photography:

Highly-creative, detail oriented Editor with over six years of Professional Director of Photography Experience. Expertise in high-impact video production and multi-media presentations using state-of-the-art software and tools. Knowledge of contemporary marketing methods, and forward moving trends in mobile video. Motivated, results-oriented individual, with a reputation for on-time deliveries and delighting the customer.

## Experience:

### May 2008 – Current:

Editor, Virtual Director of Photography, Marketing . [Volition-Inc.](#)

- |                                                                                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                                                                  |
